Calmoseptine

1001 Highway Avenue
Suite 100
Huntington, Beach, CA 92649

Dear Wendy:

Thank-you for telling me where I can purchase Calmoseptine. I have had difficulties finding the product in local pharmacies now for several months but you gave me telephone advice on January 28 on where I could purchase some. I was able to pick up one jar only at the KMART pharmacy located on Little Mack in Roseville, Michigan.

I have been using Calmoseptine for eight years now for diaper rash. My mother used it also for many years. I even had a partial jar left from when my eight year old daughter was a baby and used it on my baby recently and it still worked just as effectively as it did when it was new! I am glad to hear that it will be readily available again in local pharmacies in Michigan again soon. I can't imagine not being able to get such a great product. There is nothing on the market that even compares to Calmoseptine. I know--I have tried every diaper rash ointment available!

Sincerely,
