

erased as quickly as his rash was
with Calmoseptine. After one application,
the rash was gone! I'm sold! I love the
effectiveness and quickness with which it
works, without the fishy smell that
Desitin had. Now my daughter and I use
nothing but Calmoseptine. I wish I knew
of it when my children needed it. The
box of Desitin sits in his dresser
unopened. I'm sorry Desitin, and thank
you Calmoseptine!

Sincerely

Lena
